

WEEK 3 SMALL GROUP QUESTIONS

Scripture: 1 Corinthians 9:22, Luke 19:10, 1 Peter 3:15

Small Group Goal: Help your group see that you will need to ask intentional questions if you want to have spiritual conversations. Seeing it modeled and actually asking these questions to each other during the small group time will dramatically increase the chance that the members of your group will do this with the people on their KEEP 5 card. (Embrace the awkward!)

Week In Review: How did you do with last week's challenge? Did you pray for the people on your KEEP 5 card? Did you see any movement? Did you take a chance to love and care for any of them? Did you have the opportunity to meet one of their needs this past week?

1. What did you think of the testimony?
2. What is something from the video or our session that really made you think? What stuck out to you?
3. Have you ever had a time where a spiritual conversation you started didn't go the way you wanted it to? (It's important to learn that setbacks are a normal and frequent part of this process.)
4. Share a time when you've started a spiritual conversation with someone.
5. Share a time when someone else started a spiritual conversation with you or with a group you were in.
6. Which of the conversation starters are you most likely to use? Are there any that feel like they wouldn't work or would be too awkward?
7. Break them into pairs and have them role play and practice asking each of the questions. (Or pick a pair and have them do it in front of the entire small group.)
8. These types of conversations will feel forced at first, because they are new. What are some ways to make them feel more natural?
9. Is there anything else you want to say or share?

Challenge: *In the next seven days, choose from the list of spiritual conversation starters and ask that question to three different people.*
