For more than a decade, Amplify in Benton, AR—the largest **FREE** Christian music festival in the United States—has existed to boldly exalt the name of Jesus across the state of Arkansas and beyond.

Through this outreach, more than **500,000** people have gathered, with over **20,000** responding to the Gospel through first-time commitments to Jesus or rededications of their lives. Amplify's reach now extends into every county in Arkansas through more than 300 evangelistic events and *Make Jesus Known* evangelism trainings, equipping believers and unleashing a new generation of young evangelists. This past year, approximately one million dollars was invested to proclaim the life-changing message of Jesus and advance the Kingdom of God.

Because of you, what's happening in Benton is making an eternal impact across Arkansas and beyond, as we continue to faithfully live out the Great Commission.

"Go therefore and make disciples of all nations..."
(Matthew 28:19–20).
