

OUR MISSION

To Make Jesus Known by reaching the lost and unleashing the EVANGELIST.

ABOUT PULSE EVANGELISM

Evangelist Nick Hall founded Pulse Evangelism in 2006 while he was a student at North Dakota State University. What started as a student-led movement on a single campus has grown into a ministry impacting millions worldwide. As president, Nick now leads Pulse in its mission to Make Jesus Known across the globe.

OUR VISION

Built on two pillars—reaching the lost and unleashing the EVANGELIST—Pulse uses digital and in-person evangelism, prayer, and partnership to pursue an incredible goal: one billion people encountering the Gospel by 2033.
