Subject: Join Us for Prayer Night on May 7

Hi [first name],

On the National Day of Prayer, we have a special opportunity to come together and seek God as one Church.

We'd love for you to join us for **Prayer Night**, hosted by Pulse Evangelism—an evening of prayer happening simultaneously across multiple locations, with a live-streamed message from Evangelist Nick Hall.

We believe God moves when His people pray, and this night is about uniting our voices across the region.
